Jon M. Sieber, M.D.

Orthopedic Surgeon (Retired 2025)

Orthopedic Expert & Medical-Legal Consultant

Board-certified by the American Board of Orthopaedic Surgery (1992, 2012, 2022), Dr. Jon M. Sieber brings more than 35 years of clinical and surgical experience to independent medical examinations, medical record reviews, and expert consultation.

About Dr. Sieber

Throughout his career, Dr. Sieber evaluated, diagnosed, and treated a wide range of musculoskeletal injuries and disorders, including traumatic injuries, degenerative conditions, occupational injuries, and work-related musculoskeletal conditions.

Since retiring from clinical practice, he has applied that expertise as an Independent Medical Examiner, Medical-Legal Consultant, and Orthopedic Surgery Expert. He provides comprehensive record reviews, independent medical evaluations, and expert analyses for workers' compensation, personal injury, disability, and other medicolegal matters.

Areas of Expertise

Dr. Sieber's evaluations address:

- Causation and diagnosis
- Treatment necessity and appropriateness of care
- Prognosis
- Permanent impairment
- Functional capacity
- Return-to-work considerations

Services

- Independent Medical Examinations (IMEs)
- Medical Record Review
- Orthopedic Expert Witness Services
- Medical-Legal Consultation

Our Approach

Dr. Sieber provides objective, independent opinions to attorneys, insurers, employers, administrative agencies, and courts. His assessments rest on a thorough review of medical records and diagnostic studies, accepted orthopedic principles, and his training and clinical experience. They are clear and evidence-based, and they help fact-finders understand complex orthopedic issues. All opinions are impartial, scientifically grounded, and rendered to a reasonable degree of medical certainty.
